Q1.3 The data collected from this survey is used to generate the campus-wide report on community-engaged learning. Would you also like your efforts/programs to be considered for inclusion in the upcoming MSU Community-Engaged Learning Index?

Yes

No

Q1.4 Please select the statement(s) below that apply to you during the academic year (Summer 2019, Fall 2019 and Spring 2020) regarding Community-Engaged Learning for MSU students. **Select all that apply.**

I incorporated community-engaged learning into my syllabus.

I facilitated community-engaged learning for other faculty as part of a course.

I coordinated community-engagement projects for students in my department or college (not as part of a course).

I advised a registered student organization (RSO).

I did not participate in any community-engaged learning activities this academic year.

Depending on which statement is chosen, a path will be shown to you with specific requests for information on events/programs/projects/courses.

Q3.2 Please enter information Queby semester, in the chart below:

The chart does not show here in the preview – but it asks for the name of the event/course/program(s) and number of students, by semester.

Q3.3 If you have a list of partners and would rather email them to us, please send the list to riojas@msu.edu or list all community partners involved below:

Community Partner 1 _____

Community Partner 2 _____

Community Partner 3 _____

Community Partner 4 _____

Community Partner 5 _____

I have more than 15 partners. Please contact me.
